ABOUT US

The Office of the Dean of Students is dedicated to being a resource to students through support, advocacy, involvement, and accountability. With a goal of nurturing the development of self-determination, we coordinate the Student Accountability processes, serve as a support for students facing challenges to their success as students, and assist with the interpretation of University policy and regulations. Our staff are ready to assist students, staff, faculty, family members, and community members with student questions, issues and concerns.

Our office can also serve as a referral resource to other areas within the University and/or the Salt Lake community.
